

Micro – services in Thurrock **April 2019**

This is the current micro-services list for Thurrock.

Please note that the list is now available on the Stronger Together Website –

http://www.strongertogether.org.uk/Micro_Enterprise_21537.aspx

If you are aware of any other small services (please see definition below) that provide care or support for people, or people that are interested in setting on up, please let me know. Further information and a referral form is available on Thurrock Council's website - www.thurrock.gov.uk/community-enterprises-for-care-and-support/running-community-micro-enterprise

Micro care and support services

Micro care and support services are delivered by 8 or fewer full time equivalent paid or unpaid workers and are completely independent of any larger organisation. They can offer a diverse range of creative, flexible and individually tailored community based services bringing real choice to the local care and support market.

Please feel free to share this list as widely as possible.
